

Great Results Guarantee

Snapshot report

**Under the agreement for 2015
Harris Fields State School received**

\$235 300

Our full 2015 agreement can be found here: www.harrfielss.eq.edu.au

Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. Our year 3 reading results in NAPLAN were well above our targets and we have made significant progress in meeting all other targets. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Continued coaching in Natural Maths ensures inquiry based learning in maths which is instrumental in our continued improvement of student outcomes in maths.
- Embedded the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice.
- Built teacher capability in the teaching of writing and reading through whole school professional learning with an external literacy consultant.
- Developed efficient methods of collecting appropriate data and how it is used.
- Built teacher capability in the use of data to inform planning and targeted teaching to meet all students' needs.
- The leadership team worked together in a year long leadership program which enhanced leadership and coaching skills.

Great Results Guarantee

Our school strategies have shown limited progress toward our targets

During 2015, no progress was made toward our targeted student outcomes. We will review our strategies and make adjustments in order to better focus on maximising the benefits of this funding for our students.

Strategies implemented include:
